TECHNOLOGY CONSULTANTS PROGRAM

Custom Coverage for Independent Tech Professionals

Berkley Small Business Solutions delivers targeted protection for micro-enterprises — now including individual **technology consultants** and **IT contractors** working from home or shared/temp spaces.

With our **Micro BOP** solution + proprietary **Tec-Guard E&O**, retail agents can offer comprehensive, affordable coverage that bridges the gap between high BOP minimums and the E&S market.

Claims-made Tec-Guard E&O with occurrence-matching limits

Broad definition of tech services and products

Blanket Additional Insured

Property + Liability bundled protection

Ideal for:

- IT Consultants
- Cybersecurity Professionals
- Software Developers
- Web Designers
- Digital & Social Media Managers
- Computer Repair Services
- Data Conversion & Internet Services
- Desktop Publishing, Video/Multimedia, and more

Program Details:

- Designed for home-based businesses
- Revenue under \$500,000
- Fast bind & issue quoting platform
- Open to agencies looking to grow with us
